## Teeny Tiny NEWS LETTER

Spring Edition

Book Your Next Cleaning Appointment Before May 15th and save 20%

We Are Proud To Announce That We Are Now located At 215 Lebanon Ave. (Near the Colchester Bakery)

We can clean your specialty and valuable area rugs right at our shop in Colchester, with pick up and delivery service available, stop by anytime and see our in plant rug cleaning facility! We have also added 3 trucks to our fleet to better serve you!

This past winter brought some of the most treacherous weather most of us have seen in years. Ice Dams caused major water damage issues in many houses across the state. This spring we plan on being extremely busy, busier than ever with flood cleanup work. Be sure to inspect or have your roof inspected and make sure your gutters work properly for the up coming spring showers!

Remember folks, it's much cheaper in the long run to have your carpets cleaned regularly. Replacing carpet is expensive, while cleaning it increases the life span and keeps carpets fresh and healthy!
